

## Does This Child Need Help? Identification and Early Childhood Intervention

Second Edition

Early childhood professionals in mainstream settings have found a great source of information and support in the ***Does This Child Need Help?*** package. Early Childhood Intervention Australia (NSW Chapter)'s second edition of this publication remains true to the philosophy of the first, but includes much new and updated information related to current evidence-based research and practice. The *Learner's Resource Book* forms part of the full package, but is also a very valuable, stand-alone resource for all who work with young children and their families. It is a central component of all *Does This Child Need Help?* training courses. The new edition's contents are:

### Part 1:

#### Young Children with Disabilities and Delays: Identification and Intervention

- Chapter 1: What is Early Childhood Intervention?
- Chapter 2: Why Intervene Early? Rationale and Evidence

### Part 2:

#### Understanding Early Childhood Development and Identifying Concerns

- Chapter 3: Early Childhood Development
- Chapter 4: Identifying Young Children with Additional Needs
- Chapter 5: Making Sense of What You Find

### Part 3:

#### Communicating Concerns

- Chapter 6: Talking with Families
- Chapter 7: Ethical Issues: Taking on the Hard Stuff
- Chapter 8: What next?

The full package comprises the Learner's Resource Book, Trainer's Guide, CD-ROM and Training DVD.

Costs are as follows:
